**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in rural Sonoma County CA. I run a small blacksmithing business from home. Sonic.net, is our local service provider for internet and phone, using copper lines (all that is available). Without them, I would be forced to pay more to Comcast or other provider, none of which provide the level of customer service available from Sonic.
